

HKQAA Green Finance Certification Scheme - Green Fund **香港品質保證局綠色金融認證計劃—綠色基金**

As the Green Fund market is expected to grow, HKQAA developed the Green Finance Certification Scheme - Green Fund to respond to stakeholders' needs and raise awareness of green initiatives in the fund market. HKQAA will also continue to support SFC's Strategic Framework for Green Finance. The Scheme aims to encourage more investors from the fund market to support green projects and industries as well as organisations committed to making a contribution to the United Nations' Sustainable Development Goals (SDGs).

觀乎綠色基金市場有望持續增長的趨勢，HKQAA 制定「綠色金融認證計劃—綠色基金」，以回應持分者的需要及提高基金市場對綠色倡議的意識，並繼續支持證監會的綠色金融策略框架。認證計劃旨在鼓勵更多基金市場的投資者支持綠色項目、行業以及致力為聯合國可持續發展目標作出貢獻的組織。
