HKQAA Registered Public Courses for NITTP

What is NITTP?

New Industrialisation and Technology Training Programme (NITTP) is a funding scheme under the Innovation and Technology Fund that subsidises local companies 2/3 of the training cost to train their staff in advanced technologies, especially those related to "Industry 4.0 / New Industrialisation".

Easy Application for funding - 5 steps

1 Company submits application **at least 5 weeks** before the training starts

2 Once the NITTP Secretariat has thoroughly reviewed the application, company will recevie a confirmation letter.

3 If there are enough registrants, HKQAA will email a class confirmation and the class will start as planned.

4 **Company provides completed Form 3A to HKQAA** within 1 week after course completion.

HKQAA will complete Form 4 accordingly and provide it to the Company.

5 **Company submits Form 3A, together with Form 4**, and supporting document (where necessary) within 2 months after course completion

*The NITTP Secretariat reserves the right not to disburse the training grant to applicants in case of late submission of the claim form.

HKQAA Registered Public Courses for NITTP

Who are eligible for NITTP grant?

<u>Companies</u> applying for training grant under the NITTP should fulfill the following requirements –

- registered in Hong Kong under the Business Registration Ordinance (Cap. 310);
- must be a non-government and non-subvented organisation; and
- the employee nominated is a Hong Kong permanent resident with the necessary background / experience relevant to the advanced technology.

Funding Ceiling

- Each company is subject to a funding ceiling of HK$500,000 in each financial year at the course commencement date.
- The NITTP subsidises local companies on a 2:1 (NITTP : Company) matching basis to train their staff in advanced technologies.
- There is no limit on the number of eligible trainees from each company for each training course.
- For details, please refer to the [NITTP Training Grant Claim Requirements](#).
