FOR IMMEDIATE RELEASE

2016 Hong Kong Wine Registration Scheme and Wine Storage Management Systems Certification Scheme Presentation Ceremony Successfully Held

(11 November 2016, Hong Kong) Hong Kong Quality Assurance Agency (HKQAA) today held the “2016 Hong Kong Wine Registration Scheme and Wine Storage Management Systems Certification Scheme Presentation Ceremony” at the Hong Kong International Wine & Spirits Fair. Mr David Wong, JP, Deputy Secretary for Commerce & Economic Development (Commerce & Industry), the Government of the HKSAR, was the officiating guest.

Give Consumer Confidence with Identifiable Source

The HKQAA - Hong Kong Wine Registration Scheme aims to recognise an organisation’s ability to maintain proper record of wine they handle. Registered organisations can attach Scheme Labels with a unique QR code to the bottles of their wine. Consumers can easily scan the QR code with a smartphone to verify the wine online and get more information of the wine, so as to enhance consumer confidence in their purchase. 36 organisations have registered (see Appendix for details) and so committed to providing identifiable sources of wine.

Systematic Storage Management to Protect Wine Quality

Another of our wine-related scheme, the Wine Storage Management Systems Certification Scheme, is the first of its kind in the globe. It provides a framework for every party along the supply chain to deliver proper wine storage and transportation. The objective is to ensure industry standards and protect wine quality. 57 certifications have been issued (see Appendix for details). In today’s ceremony, we recognised the certified companies participating for three and five consecutive years for their continuous dedication.

Ir Dr Hon Lo Wai Kwok, Chairman of HKQAA said, “We are delighted that these two schemes have received positive responses from the government and industry members. A significant number of organisations have joined the schemes over the years. We are pleased to recognise the sustained commitment of our current clients and welcome all new joiners. With favourable feedback from the industry stakeholders, they will exert a positive influence and further encourage other industry members to enhance their professional level. This will definitely help improve the competitive edge of the Hong Kong wine business.”

Mr David Wong, JP, Deputy Secretary for Commerce and Economic Development (Commerce & Industry), the Government of the HKSAR (left 6, front row), HKQAA Governing Council members, Technical Committee members, supporting and endorsing organisations, as well as the participating companies of the Schemes.
