We believe that the strategic cooperation between HKQAA and Shaanxi Provincial Office of Finance will combine the strengths of both Shaanxi and Hong Kong, and promote the enhancement of green finance, cultural finance, technological finance and digital finance in the two regions. It can also foster exchanges between Hong Kong and Shaanxi, encourage training for talents and funding for green finance development. The new mode of cooperation will help open up more business opportunities and make an even greater contribution to the economic and social development of Hong Kong and Shaanxi.
