

MoU Signed with Guangdong Environment Exchange

On 27 April 2021, Guangdong Environment Exchange hosted the Green Finance Innovation Development Forum-'Green Connect' Launch Ceremony. At the event in the Guangzhou Development District, the organization held a MoU ceremony for establishing the strategic partnership with HKQAA in promoting the green finance in the Guangdong-Hong Kong-Macao Greater Bay Area (GBA). The MoU aims to strengthen cooperation in the areas of sustainable finance, green finance, climate investment and carbon finance. In making the most of the strengths of each party, the partnership aims to promote the development of green finance in the GBA.

Dr Michael Lam, Chief Executive Officer of HKQAA delivered a video speech at the event. He said that he expected both parties to make the most of the historic opportunities arising from the development of the GBA to jointly facilitate green finance in the region, following the Chinese Government's green development strategies. He said that, in doing so, a greater contribution would be made to the sustainable development of the economy and the environment.
