Highlights of the Seminar:

- Learn about ISO's efforts to support ESG initiatives (standards and conformity assessment)
- The new ISO standards under development for "SDG Management Systems"
- ISO's "London Declaration on Climate Action" - How climate change considerations will be incorporated into ALL ISO Management System standards "WITH IMMEDIATE EFFECT" and what it means to you
- ISO's plans for the revision of ISO 9001 and amendment to ISO 14001

About the Speaker:

Dr NIGEL H. CROFT - Associate Technical Director of HKQAA, Chair of ISO Joint Technical Coordination Group for Management System Standards

Dr Croft is recognised as one of the world's foremost experts in quality management and conformity assessment of management systems. He currently serves as Chairman of ISO/TC176/SC2, the ISO subcommittee responsible for the ISO 9001 and ISO 9004 standards development. He is also an active member of ISO's Joint Technical Coordination Group, which is responsible for ensuring a consistent approach for all ISO management system standards.

Important Notes

1. The registration confirmation will be sent to your email account 3 days before the Seminar after successful submission of the registration form.
2. Registration will be served on a **first-come first-served basis**. **HKQAA certified clients will be given priority** in reserving seminar tickets. However, we kindly request your understanding that the number of tickets allocated to each company may be adjusted due to the limited seating capacity at the venue.
3. HKQAA reserves the rights to change the contents of the Seminar
4. Health and safety of our guests, partners and staff are always our top priority. In case of an epidemic outbreak, HKQAA would take stringent precautionary measures to maintain the level of health and hygiene, in line with HKSAR Government's policy. To minimize the spread of infectious diseases, please note that the event format may change from in-person to hybrid / virtual or others.
5. Please note that the above information may be used by HKQAA for processing the application of the symposium/ ceremony, and for any other purposes as stated in the Privacy Policy Statement. You may view the Privacy Policy Statement of HKQAA from its website (www.hkqaa.org/cmsimg/privacy/statement.pdf).
