

HKQAA Attends 2024 World Accreditation Day Event – China Certification and Accreditation Conference

On 6 June, the State Administration for Market Regulation held the 2024 World Accreditation Day Event – China Certification and Accreditation Conference in Xiong'an New Area, Hebei Province. The theme of the event was “Accreditation and Conformity Assessment: Innovation Cooperation Future.” Mr Pu Chun, Vice Minister of State Administration for Market Regulation, Mr Zhao Dachun, Deputy Governor of Hebei Province, and Mr Emanuele Riva, Chair of the International Accreditation Forum addressed the conference. Mr P C Chan, Chief Executive Officer of HKQAA, spoke on the theme of promoting sustainable development and facilitating construction in the Greater Bay Area.

It was the first China Certification and Accreditation Conference. The Conference was designed as an international exchange and cooperation platform of conformity assessment with Chinese characteristics, highlighting openness, internationality, professionalism and authority. Its aim is to facilitate activities such as policy research, strategic planning, technical exchanges, consultations and dialogues in the field of conformity assessment, to enhance the service level, social influence, and international contribution of China's accreditation and conformity assessment.
