

“Six Dimensions of Social Capital and ESG”

03 September 2020

Capital

- Assets
- Financial
- People
- Knowledge
- Skills
- Information
- Technology
- Personal Attributes
- **Social**

Social Capital Performance

- Social Capital 

- Economic
- Business
- Firm/Organizational
- Team/Group
- Individual/Employee
- Supplier

Beginning with...

- Tin Shui Wai - a tragedy happened in Tin Ching Estate in 2007
- Community Investment and Inclusion Fund
- “Community-family-school” program (2008-2020)

Creation of Social Capital?

- Community Investment & Inclusion Fund has divided social capital into 6 dimensions:

- a) Social Network

- b) Mutual-help and Reciprocity

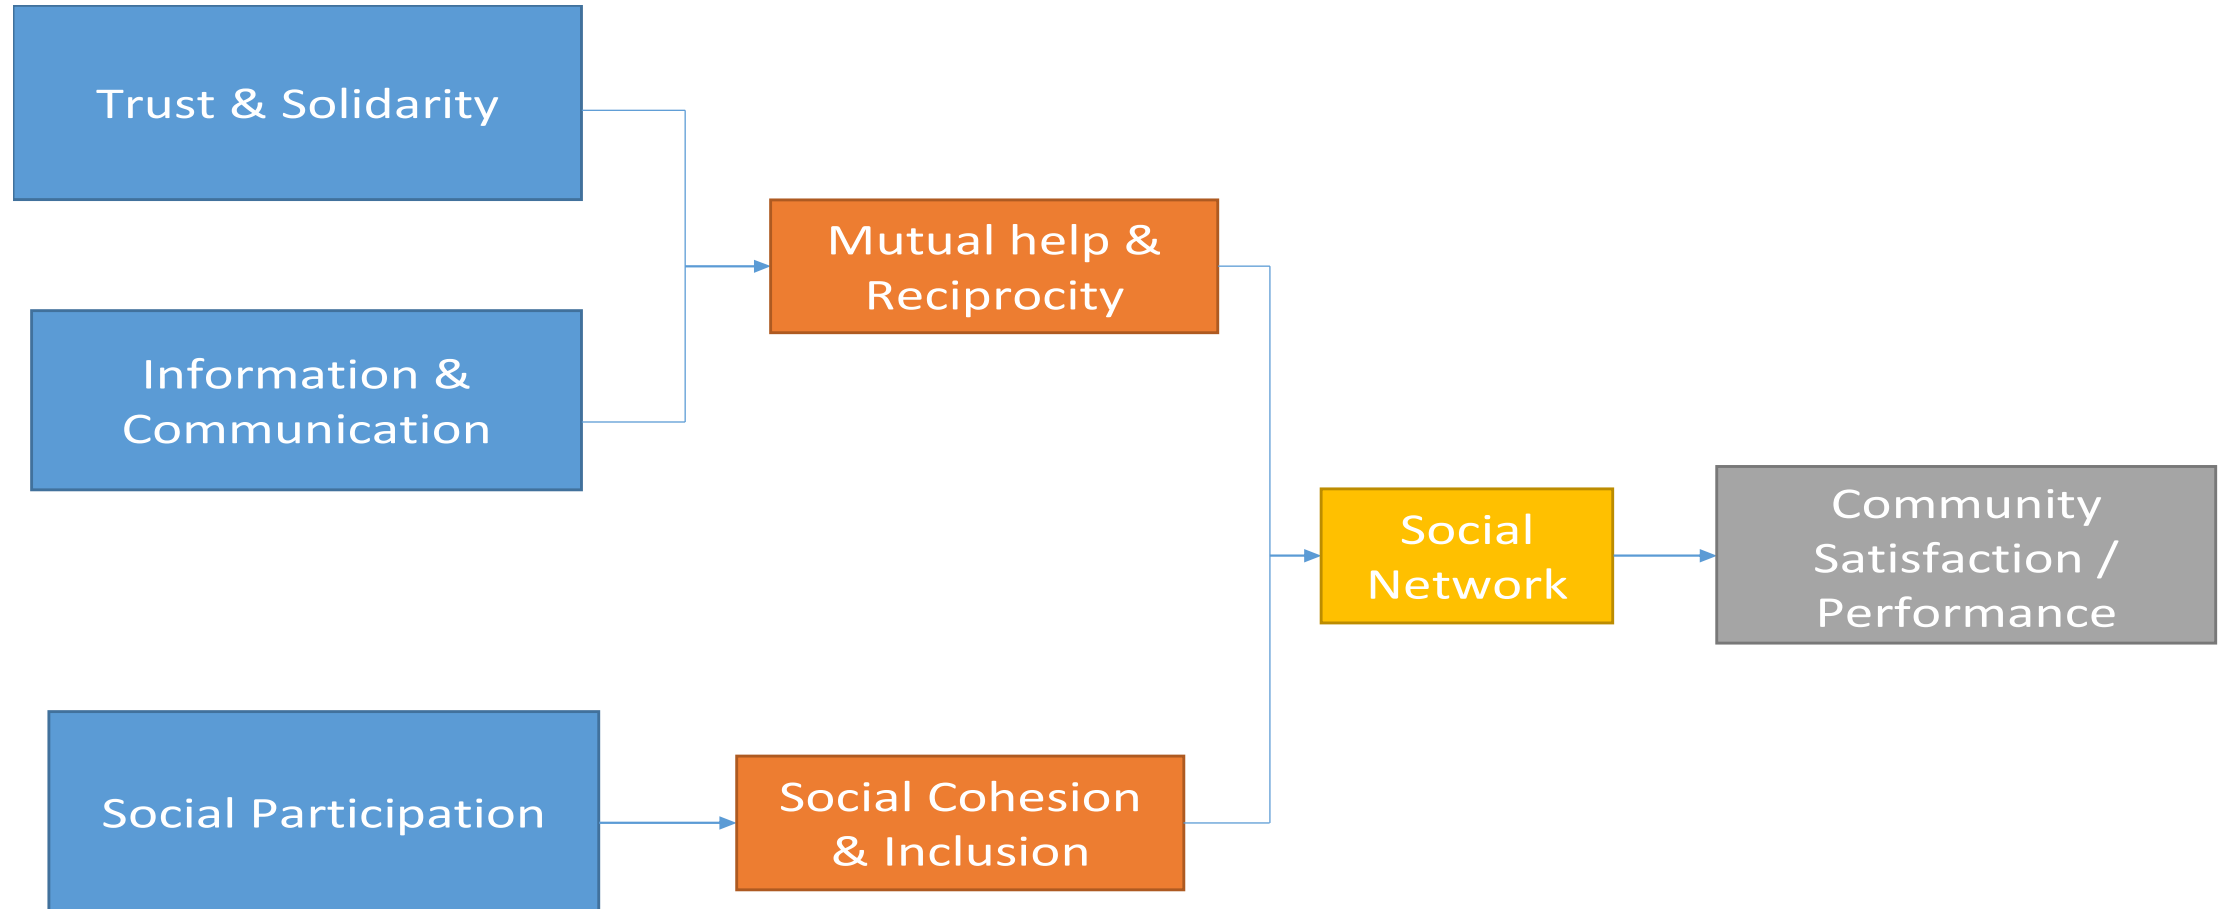

- c) Trust and Solidarity

- d) Social Participation

- e) Social Cohesion and Inclusion

- f) Information and Communication

Results

Implications

- Social Network  Satisfaction/Performance
- Reverse perspective of the model

ESG  Performance

• ESG 

- Firm/Corporate
- Financial
- Market
- Economic
- Sustainability
- Share/Stock Return
- Credit
- Risk-management

SC → ESG?

Reflection: Social Network?

Dimensions of Social Capital
