

HKQAA COVID-19 Resilience Finance Certification Scheme

香港品質保證局抗疫金融認證計劃

In response to market needs, HKQAA has developed a new certification scheme, the **COVID-19 Resilience Finance Certification Scheme**. It aims at encouraging more issuers to direct capital to projects related to COVID-19 prevention, control and recovery, and building resilience against COVID-19.

為響應市場需求，本局制定了「**抗疫金融認證計劃**」，旨在鼓勵更多發行者將資金引導至與疫情防控、復甦和建立韌性相關的項目。
