International symposium bringing together policymakers and business leaders

國際性研討會 雲集政商界領袖

The Symposium was officiated by the The Honourable Mrs Carrie Lam Cheng Yuet-ngor, the Chief Executive of the Hong Kong Special Administrative Region. Mr Christopher Hui, Secretary for Financial Services and the Treasury, and Mr Tse Chin Wan, Under Secretary for the Environment, were special guests. The hybrid event attracted more than 600 online and offline participants from government departments, regulatory organisations, Chinese and foreign banking and financial institutions, foreign consulates, business associations, academic institutions and green groups, among others.

是次專題研討會得香港特別行政區行政長官林鄭月娥女士擔任主禮嘉賓；財經事務及庫務局局長許正宇先生、環境局副局長謝展寰先生擔任特別嘉賓。活動同步進行網上直播，現場及線上共吸引超過600名來自政府部門、監管機構、中外銀行和金融機構、商會組織、外國使節、學術機構及環保社團等領袖參與。

Supporting the Government to promote green and sustainable finance development

支持政府推動綠色和可持續金融發展

In recent years, HKQAA has supported Hong Kong's sustainable economic development by developing new services. One significant contribution is the Green and Sustainable Finance Certification Scheme. Up to now, over 35 billion US dollars' worth of green and sustainable finance instruments have been certified.

"HKQAA has indeed long been one of our most supportive partners in promoting green and sustainable finance. I am glad to know that HKQAA launched a new Green and Sustainable Finance Certification Scheme in May this year to cover a wider array of green and sustainable products in the market. Looking ahead, we shall continue to count on the good work of the HKQAA in quality assurance and maintenance of standards for our green and sustainable causes." said Mrs Carrie Lam.

近年，本局積極開發嶄新服務，支持香港可持續經濟發展，當中「綠色和可持續金融認證計劃」是重點之一，至今獲證綠色和可持續金融發行總額超過350億美元。

行政長官林鄭月娥女士致詞時表示：

「多年來，香港品質保證局一直是最支持我們推動綠色和可持續金融的合作夥伴之一。我樂見他們在今年五月推出新的綠色和可持續金融認證計劃，以涵蓋市場上更廣泛的綠色和可持續金融產品。未來，將繼續有賴香港品質保證局在質量保證和標準維護方面的出色工作，以支持我們的綠色和可持續發展事務。」

Announcement of new initiatives to align with Government climate change strategies

宣布嶄新倡議 配合政府氣候策略

During the Symposium, HKQAA announced a series of new initiatives to align with the Government's climate change strategies. They include:

- Net-Zero Certificate
- Climate Risk Management Index
- TCFD Reporting Index
- Training and registration services for green and sustainable finance talent

These new services will be rolled out shortly to assist financial institutions to prepare for regulatory requirement fulfilment, and help listed companies and other kinds of organisations demonstrate their progress and achievements in reducing carbon emissions and addressing climate risks.

We also plan to give back to society by establishing a user-friendly knowledge sharing platform online, namely the 'LightShare'. The project will facilitate the capacity building of finance and other sectors to promote sustainable finance, TCFD reporting, carbon emission and climate risk management, and bolster COVID resilience and recovery in our city.

在是次專題研討會上，本局宣布一系列嶄新倡議，以配合政府應對氣候變化策略，包括：

- 碳中和證書
- 氣候風險管理指數
- TCFD 報告指數
- 綠色和可持續金融專才培訓和註冊等

這些新服務將於短期內推出，期望有助金融機構為滿足監管要求做好準備，以及協助上市公司和不同機構，展示他們在碳減排和應對氣候風險方面的進展和成就。

為了回饋社會，本局正開發名為「LightShare」（「分享易」）的網上知識分享平台。此平台將透過創新簡便方式，促進人才及技能培訓，協助金融及不同行業，推動可持續金融、TCFD報告編制、碳減排、氣候風險管理，加強社會整體抗疫韌性，促進疫後復甦。
